

FKT
plastics - made by nature[®]

Braskem

The chemistry
of the future
goes through
renewable
solutions.

And we believe
in the future.

**I'm
green[™]
Plastic**

>96% Biobased
Verified by ASTM D6866

100% recyclable

Renewable raw
material: sugarcane

Drop in identical
to conventional
polyethylene

Packaging applications

Global warming:
reduces GHG
emissions

Sustainability conscious
use of land

Brand value

PICCOLI PLAST
blow moulded packaging
